

Innovative Products 2021

Carefully crafted for you

Islandbridge Events introduces
you to the **ECO** side of Mallorca...

Electric Cars

A still life composition featuring a light-colored wooden bowl filled with coarse white sea salt. A small wooden scoop rests inside the bowl. To the right of the bowl is a rectangular bar of off-white soap. In the background, a large bunch of dried lavender flowers is spread out on a light-colored wooden surface. Some dried lavender buds are scattered on the surface in the foreground. The overall aesthetic is natural and rustic.

A genuine and
unexplored reality
committed to protect
and preserve the
ground treasures of
the island

Explore the authenticity of Mallorca's Eco Producers and Artisans

3 key local organic artisans and producers:

- Visit their lands
- See and make the products with them
- Enter their private and exclusive fincas.

Join us on this ultimate Organic Experience and discover this hidden side of the island. Ideal for those committed to preserve and protect our land and costumes.

First stop: Wine and Olive Oil Cultivation

A unique family land of 7 hectares of vineyards and 3 hectares of olive trees

Top-quality wine (silver medal pin the Nuremberg 2011 exhibition)

One of the best 250 olive oils in the world (Feinschmecker award in 2010)

Second stop: Ecologic Citrus Cultivation

Majorcan orchard of organic production of oranges, lemons and other fruits
Under the impressive rocks of the Alfabia ridge, you will feel immediately at peace in
this special microclimate environment

Third stop: Natural Soaps and Cosmetic Products

Local craftmakers committed to contribute to a greener island in everything they make.

Carefully selected raw materials from Mallorca

The combination of virgin olive oil, clay powder and organic essential oils result on the highest level of quality products.
