

INNOVATIVE PRODUCTS 2023

IBIZA

**THE ART OF
APPROACHING
NATURE . . .**

**The Biotech Botanical Garden of Ibiza,
a place to observe, learn, unwind,
enjoy the nature of Ibiza and
Formentera through biotechnology.
Participants will learn about the
world's first vegetal piano! Experience
one of a kind in Europe's most
innovative botanical park!**

**In the Botanical Garden, the
participants will be invited
for a very special introduction
where they will learn how a
hive operates through a mobile
observatory.**

**The ride will be on electric
cars to get to the nature even
closer !**

**Your group will find a space with no routine.
A space where they create, learn, share and look out for
themselves.**

**Workshops where they will learn how to make a botanical
flower arrangement pressing, solid air freshener and a
solid shampoo.**

All made from local and ecological products.

BACK TO THE 60S

**Travelling back to the 60s
at the wheel of a Mehari,
Ibiza's vintage car, and
discovering the picturesque
and colorful markets of
Ibiza, where your group can
buy all kinds of handcrafted
items. During our hippie
workshops, the group will
have the chance to create
their own "Senallons
Eivissencs" (beach basket),
necklaces, bracelets and
canvas bags; accompanied by
our local expert.**

The experience will end in a restaurant at a chill out atmosphere with a “street food” gourmet market to enjoy an exceptional sunset in San Antonio.

Three different spaces, the chill-out, the lounge and the restaurant, where they can enjoy a relaxed dinner.

THE LOGOUT EXPERIENCE

Looking for team work and creativity? Why not painting an original and fun car?

A networking activity where graffiti is used as a way of creativeness and where the realization of an artistic work opens an abstract vision of the mind to the group that participates, achieving better professional results for the individual and the company in a surprising, fun way, and with Innovative experiences that generate a great visual impact.

This schooner boat is undoubtedly one of the most beautiful options to navigate the coast of Ibiza. A unique and relaxing perspective to the sound of the waves that your group will enjoy at full, ending with a spectacular sunset at one of Ibiza's finest restaurants, surrounded by a colorful seaside setting and with breathtaking views of the famous Ibiza's coast! The chef offers high quality fusion cuisine, enough to delight the taste buds!

**TERRE & MER
EXPERIENCE**

Aboard a classic wooden exploration boat, known as the "go Londrina". the activity will allow the group to discover the most beautiful coasts of Ibiza, a guided diving tour accompanied by a local expert to know the different marine species and learn more about the ecology and the marine environment of the Mediterranean Sea. Finally, enjoy a delicious lunch on the boat made with local products.

A Glamping luxury night!
After a long afternoon in the sea, the group is invited to disconnect among the trees of Ibiza with local gastronomy over wood fire, an astronomy session and later rest in the warmth of their tents...
Then, get up early in the morning with a yoga session to welcome the sun and start the day with fresh air from the white island.

THE GOURMET EXPERIENCE

The experience starts with a visit to an authentic "Ibiza's house", surrounded by olive trees that produce their 100% ecological extra virgin olive oil in the heart of the island. Then a passage through the mill which is one of the few active mills of this type on the island, the participants will receive a complete explanation of the process involved in the elaboration and will end with a tasting of their production.

They will learn how to do the traditional "flaó" cake of Ibiza and Formentera accompanied by our expert chef in local and traditional pastry. During this experience, the group will learn about the culinary habits of the island and finally end the day with a unique tasting in a new restaurant located in a private palace, in the heart of the city of Ibiza, that will astonish the five senses!
